

THE RAINBOW CIRCLE

ZP are pleased to announce and inform you that the Rainbow Circle based in Harrogate Yorkshire are now offering the opportunity subject to Red Clouds approval to sit as a guest sitter in the Rainbows home Circle. Various dates available.

As you may already be aware **ZP** has over many years worked closely with the Rainbow Circle and it is our opinion that they represent Spirit and Physical Mediumship to the highest standard as highlighted below.

The Experience

We offer a unique experience a Séance with **The Rainbow Circle** in association with **ZP**.

This is a once-in-this-lifetime opportunity to an experience, which demonstrates that we survive a so-called death.

During the Séance you may be touched by Spirit people, as real as you and I, in controlled Séance room conditions. Communicate with loved ones now passed to spirit.

See the impossible made possible, defying science as objects are moved around the Séance room at great speed and complexity.

Removing the fear of death through Physical Mediumship, showing that we go on existing.

In the first instance would you please email:

Terry Nelson therainbowcircle@virginmedia.com direct to the Rainbow Circle or contact via mobile: **07591 387137**

Alternatively Telephone: **07973 205183** (Dennis Pearman International Co-ordinator for **ZP**).

The cost for sitting is £25.00 per person payable on the evening.
